19:44:08 [main]      You are not running with administrator rights! This will work for
19:44:08 [main]      most application stuff but whenever you do something with services
19:44:08 [main]      there will be a security dialogue or things will break! So think
19:44:08 [main]      about running this application with administrator rights!
